| Description  |         |                 |            |
| On http://www.hostings.com/support.htm   |         |                 |            |
| change   |         |                 |            |
| use the Support Desk to send your question to a human.                             |         |                 |            |
| to   |         |                 |            |
| contact the Support Desk and be sure to include your domain name.                  |         |                 |            |
| and change the link "Support Desk" to "mailto: <u>support@support-center.org</u> " |         |                 |            |

#### History

#### #1 - 08/30/2021 01:02 PM - Thom Ho

- Status changed from Assigned to Submitted

done.

## #2 - 09/03/2021 05:12 AM - Kevin Zaleski

- Status changed from Submitted to Code revision needed

my mistake, wrong address - use <a href="mailto:support@support-central.org">support@support-central.org</a>

## #3 - 10/06/2021 08:08 AM - Thom Ho

- Status changed from Code revision needed to Submitted

it was done 2 weeks ago.

### #4 - 10/19/2021 10:22 PM - Kevin Zaleski

- Status changed from Submitted to Closed
